Aim High - Be Courageous - Consider & Respect Others

Dear parents/carers,

I would like to start the newsletter this week by extending a very warm welcome to our new children and families who are starting in EYFS this week. We are all very excited to meet you and spend time getting to know you.

Next, I can't really avoid mentioning COVID-19, as it is all that we hear about in the news at the moment. I will of course keep you informed of any cases that I am made aware of in our community. I now have a direct educational Public Health helpline that I can call for advice on what we would need to do if a member of staff or a pupil tested positive. Please let us know if any members of your family develop covid-like symptoms and also please remember that if they do, then the WHOLE family has to self-isolate until test results are received.

On your way around the school, please feel free to peep through our library windows to have a look at the amazing transformation that our staff have been working on over the last few months. A big thank you to all of them and also thanks to the fabulous PTA and lovely Beckford family who have donated money towards books, shelving, furniture and paint.

Hopefully you will have noticed our brand new playground equipment being installed for our infant pupils and also rubber mulch around the gym equipment in the junior playground. We have paid for this out of our Sports Premium money as we felt it was a good way to keep our children active.

Just to let you know that unfortunately we can't allow parents and carers to come in to school for a dinner when it is your child's birthday. To try and still make it a special day if our children have to come into school on their birthday, we have bought some birthday tablecloths and decorations and we will put their name up on the big screen in the hall.

Stay well everyone.

Best wishes

Mrs K. Newell

(Headteacher)
